

Smithfield / Liberty Garage

Parking in the U.S. Steel Tower

Parking at First Lutheran Church is available in the garage under the U.S. Steel Tower. There are two entrances to the garage as shown on the map. One is off the Veterans Bridge/Bigelow Blvd exit, only accessible from these highway exits. This one may occasionally be closed on Sundays. The other entrance is just off Sixth Ave in the opposite direction, in front of the DoubleTree Hotel's main entrance.

We have made this free on Sundays, but contributions are welcome toward our \$2.00 cost. Please bring your ticket to a church staff member, who will attach a sticker to your ticket. When exiting the garage, do not go to the pay station; simply insert your validated ticket at the exit gate.

Though we recommend parking in U.S. Steel, parking is still available for \$1.00 on Sundays only in the Mellon Square and Smithfield/Liberty garages. A staff member or usher will stamp your ticket for validation.
